Re: Devis Tower National Monument; Draft General Management Plan/ Environmental Impact Statement
(SHPO File # 1200JKW004)

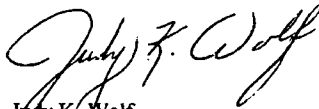

Dear Mr. Cartwright:

We have received information concerning the aforementioned general management plan. Thank you for allowing us the opportunity to comment.

Alternative 3, the preferred alternative will, in general, enhance the historic properties and ethnographic resources located within the boundaries of the Monument. We understand that you will consult with our office as future project designs are developed in order to address potential effects to historic properties.

Please refer to SHPO project control number 1200JKW004 on any future correspondence dealing with this project. If you have any questions, please contact me 307-777-6311.

Sincerely,
